Saw Morell Clarke at the office. He obtained his divorce at Reno, and has been sent to Europe for several months by his doctors to relax his nerves. Meanwhile, a court order has enjoined him from managing his South Boston and Halifax newspapers. It is [redacted] sad -- it seems only a short time ago that I had his wedding celebrated at Staunton Hill, and gave the notable party from which some guests only recovered their locomotive powers the following morning.

Lots of odds and ends to attend to.

We went to Versailles for the night.
